Be part of history in the making...

The world's first virtual national expo is about to take place, showcasing the best of New Zealand to a global audience and enabling people everywhere to get a taste of what New Zealand is all about.

Expo NZ launches with an ICT career fair, giving companies the chance to highlight their vacancies and their general 'greatness' to an international audience in a virtual context.

Admission is free and the beauty of it is that you can attend from wherever you are - because it's completely virtual!

When: July 16 (7.00am-10am NZ time)

Who should attend: IT job seekers, anyone who wants to find out more about NZ's ICT industry, people interested in virtual events technology

Wellington on a Plate

Get your tastebuds ready - a new culinary extravaganza aimed at celebrating the quality of local produce is coming to town!

Grow Wellington has joined forces with Positively Wellington Tourism to establish Wellington on a Plate, an annual festival of food that runs from August 17-30 this year.

Grow Wellington Chief Executive Nigel Kirkpatrick says the food and beverage sector is a key part of Wellington's economic development. "This festival combines local economic activity and ongoing development of a food sector that has the potential to generate significant export revenue. It's a celebration of people and the quality of product that comes from the Wellington region."
